

## **G.PULLAIAH COLLEGE OF ENGINEERING & TECHNOLOGY: KURNOOL**

### **Department of Humanities and Sciences**

National Mathematics day was organized on 22/12/2017 on the birthday of **Sri Srinivasa Ramanujan**, the great mathematical genius who made exemplary contribution to Mathematics. The Mathematics day was celebrated with an objective of creating awareness about importance of mathematics in day to day life, to celebrate and appreciate the contribution of Mathematics Wizard Dr. S. Ramanujan and also to enthuse the faculty in recent trends in Mathematics.

The Chief Guest for the inaugural function was Prof.Y.Narasimhulu, Hon'ble Vice Chancellor, Rayalaseema University, Kurnool. The Chief guest gave a motivational message on importance of Mathematics and also its role in present day scenario. The dignitaries on the dias, Dr.C.Srinivasa Rao, Principal, GPCET; Dr.K.Sathish Babu, Principal, RCEW; Dr.S.Prem Kumar, Dean, GPCET also enlightened the audience with their informative messages.

The program was followed by two technical lectures one on "Mathematics for 21<sup>st</sup> Century" by Prof.P.Sundar Anand, Head of Mathematics Department, Rayalaseema University, Kurnool. He explained the Mathematical applications in various fields. He also gave a power point presentation on Life and work of Late Ramanujan. The Second technical lecture was by Dr.M.Veera Krishna, Asst Professor, Rayalaseema University, Kurnool on "Research in Mathematics". He inspired the mathematicians to take up high end research in the field of mathematics. The Program concluded with Vote of Thanks.

**Speech by Hon'ble Vice Chancellor, Prof.Y.Narasimhulu, Rayalaseema University,, Kurnool**

**Talk by Prof.P.Sundar Anand**

**Talk by Dr.M.Veera Krishna**

**Convener**
