DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING

Report on Three Day Embedded System Fundamentals Workshop (March 12-14, 2018)

A three day workshop on Embedded System Fundamentals is organized by ECE department in association with APSSDC for the ECE students during March 12-14, 2018. The workshop has been conducted in DSP and Embedded system Laboratories, ECE department, Block 3 from 9AM to 4 PM. For the benefit of the students all the sessions were hands on and interactive. The resource persons, G. Chandra Sekhar Babu, B. Mahidhar, Sk. M. Taz Basha and D. Kalyan Kumar, APSSDC, covered various concepts of Embedded systems including Introduction to 8051 family, Introduction to Keil- IDE & Proteus 8, Embedded C Programming, Arduino Programming, Arduino & LCD Based Projects, Interfacing of Seven segment Display with Arduino, Interfacing of sensors with Arduino-LDR. The resource persons made the sessions as interactive and also clarified the student's doubts. At the end of workshop students expressed their feedback as good. Also, resource person appreciated the effort and interest shown by students towards learning the concepts related to the Embedded system.
