

Memorandum of Understanding

between

G.Pullaiah College of Engineering and Technology (GPCET)

And

Indian Institute of Information Technology Design and Manufacturing Kurnool (IIITDMK)

This Memorandum of Understanding is made on the 21st day of December 2022("Effective Date")

BETWEEN

G.Pullaiah College of Engineering and Technology, Pasupula Village, Nandikotkur Rd, near Venkayapalle, Kurnool, and Andhra Pradesh 518002 (hereinafter referred to as "GPCET")

AND

Indian Institute of Information Technology Design and Manufacturing Kurnool an Institute of National importance under ACT 2014 having its location at jagannathagattu hill, Kurnool (hereinafter referred to as "IIITDMK")

(Collectively "Parties")

Where as this Memorandum of Understanding (hereinafter Called "MOU" sets out the understanding of the Parties' intention to collaborate with each other).

Background:

1. GPCET has obtained Autonomous status from the year 2018 besides being accredited by NAAC of UGC and NBA of AICTE, New Delhi. GPCET is approved by AICTE, New Delhi and has also been granted permanent affiliation under Jawaharlal Nehru Technological University Ananthapur. Also it is an ISO 9001-2015 certified Institution besides recognized by UGC under 2(f) and 12(B). "GPCET" was established in the year 2007 and works with the Motto "Pioneering Innovative Education"
2. Indian Institute of Information Technology Design and Manufacturing Kurnool (IIITDMK) was established in the year 2015 and has established state of art laboratories across all departments besides catering to the needs of students in order to develop their technical and professional skills.
3. Institute of Information Technology Design and Manufacturing Kurnool has established State of the Art laboratories with expertise in emerging technologies like Artificial Intelligence, Internet of Things, Electronic and communication Engineering, Industry 4.0, Smart Manufacturing etc.
4. The Parties broadly follow the principles of innovative practices for fulfilling the identified needs of their respective stakeholders with unyielding commitment to ethics and professional integrity.

G.V.M. Mohan Kumar

D.V. Sankar

5. The Parties have identified an opportunity to collaborate in respect of emerging Technologies involving AI, IoT, and ECE to their mutual benefit whereby the Parties in accordance with the terms and conditions of this Agreement.

In consideration of the above recitals and the mutual benefits to derive hereafter, the parties agreed to enter into an Agreement as follows:

1.0 Scope of the Agreement

1.1 . Design and Development of curriculum framework

“Indian Institute of Information Technology Design and Manufacturing Kurnool” shall provide necessary assistance to GPCET to develop their curriculum framework with focus on Artificial Intelligence and Internet of Things.

The Primary idea of the programs is to develop qualified human resources and research personnel with industry-aligned competencies in areas of Artificial Intelligence, Internet of Things and Electronic and Communication Engineering.

1.2 . Program Delivery

Indian Institute of Information Technology Design and Manufacturing Kurnool shall assist in executing the curriculum framework developed through FDPs, collaborative workshops, weekend Training for Faculty on AI, ML and other relevant activities on mutual consent.

1.3 Consultancy

Indian Institute of Information Technology Design and Manufacturing Kurnool shall provide the necessary support in developing the consultancy, joint proposals on mutual consent.

2.0 Obligations

2.1. Neither party shall use the name or trademark of the other party for advertising purposes. However, “GPCET” and “IIITDMK” have the right to publish the existence of this Agreement in its normal listing of activities.

2.2. The representatives of the parties can meet as necessary to evaluate new opportunities and progress in the implementation of projects.

3.0 Duration of Agreement and Termination

3.1 This Agreement shall commence on the day of exchange of MOU between “GPCET” and “IIITDMK”. The project shall begin as per the schedule agreed upon in the proposals.

G.V.M. Mohankumar

Dw/for

3.2 Each party reserves the right to cancel all or any part of this Agreement, without liability to the other party, if such other party repudiates or commits a material breach to any of the terms of this Agreement.

3.3 This Agreement is effective for 1 year, unless terminated or renewed earlier in accordance with one of the following alternatives:

3.4 "Indian Institute of Information Technology Design and Manufacturing Kurnool" may terminate all or any part of this Agreement at any termination to be effective thirty (30) days after the date of such notice.

3.5 "GPCET" may terminate all or any part of this Agreement at any time and for any reason by giving written notice to "Indian Institute of Information Technology Design and Manufacturing Kurnool", such termination to be effective thirty (30) days after the date of such notice.

3.3 This agreement can be renewed for a further period on mutual consent by the parties to this agreement.

4.0 Assignment

Neither party shall assign any part of this obligations under this MOU to any third party without the written permission of the other.

5.0 Entire Agreement

6.1 This Agreement constitutes the entire agreement of the parties with respect to the subject matter. This Agreement may not be changed except in writing and when signed by both the parties.

6.2 Any change in the scope of work covered by this Agreement shall be discussed and agreed upon mutually in writing.

6.0 Governing Law

This MOU shall be governed by applicable law(s) in India. Any dispute between the Parties, arising out of or in connection with this MOU or breach hereof, shall be resolved amicably between the authorized representatives of the parties within a period of 30 (thirty) days, failing which such dispute shall be referred to sole arbitrator mutually nominated by both Parties.

7.0 Confidentiality

All information including any base and forward intellectual property shall be maintained by the parties in strict confidence and shall not be disclosed to any third party without the prior express written permission from the disclosing party. However, the recipient of the confidential information may disclose, strictly on a need to know basis, Proprietary Information to its personnel who actually engaged in the transaction contemplated herein who are in the process of accessing the confidential information of the disclosing part provided that such personnel are also bound by similar obligations of confidentiality to those contained shall continue to hold good during the tenure of the MOU, howsoever occasioned. The parties herein agree to execute a separate Non-
