**R &D News Letter Release of December, 2020 Issue  
By Prof. Dr.R.B.V.Subramaanyam, Dept of CSE, NIT Warangal**

Pullaiah College of Engineering and Technology (autonomous), Research and Development Newsletter release for December, 2020, is organized by the Research and Development Cell on December 5th, 2020. The chief guest for this event is Prof. Dr. R.B.V. Subramaanyam, Dept. of CSE, NIT Warangal, Warangal. For this event, faculty from both G. Pullaiah College of Engineering and Technology (autonomous), Kurnool, and Ravindra College of Engineering for Women (RCEW) have attended.

The programme commenced at 4:00 p.m. In the first part of the event, Prof. R.B.V. Subramaanyam gave a talk on 'Research'. He explained the purpose of research, the goal of research, and the importance of research in the advancement of society; he also suggested that in academics, both research and teaching are important. Further, he explained the importance of research for proper understanding of the subject so as to fulfil the needs of society.

In the second part of the event, Prof. Dr. R.B.V. Subramaanyam released the R&D News Letter of the December, 2020 issue. This newsletter includes a total of 18 R&D articles written by the faculty members of various departments. After this, the college management gave cash incentives to the faculty who published papers in Scopus-indexed journals and conferences.
