

## ABOUT THE AUTHORS

**Mr. R. Varaprasad**, currently working as an Assistant Professor in Department of Computer Science and Engineering at G.Pullalah College of Engineering and Technology, Kurnool, Andhra Pradesh, India. He has 13 years of teaching experience. He holds Master of Engineering in Computer Science and Engineering from Anna University, Coimbatore. His areas of interest are Internet of Things, and Network Security.

**Mrs. Kalyani Sunkara**, currently working as Associate Professor in Department of Information Technology at Vignan's Institute of Engineering for Women, Visakhapatnam. Pursuing Ph.D in Computer Science and Engineering in Andhra University, Master of Technology in CSE from Andhra University, Visakhapatnam. Her main research work focuses on Industrial IoT, Industrial Analytics, Data Analytics, Data Mining, Computational Intelligence, Machine Learning, Computer Vision, and Quantum Computing. She has 10 years of teaching experience and research experience. She has published multiple papers in reputed journals.

**Mr. T. Aditya Sai Srinivas**, currently working as an Assistant Professor in Department of Computer Science and Engineering at G.Pullalah College of Engineering and Technology, Kurnool, Andhra Pradesh, India. His areas of interest are Internet of Things, Network Security and Cloud Computing. He has published more than 30 standard Scopus Indexed Publications and referred Impact Factor Journals.

**Dr. Sushma Jaiswal**, currently working as an Assistant Professor in the Department of Computer Science & Information Technology (CSIT), Guru Ghasidas Vishwavidyalaya (A Central University), Bilaspur (C.G.). She completed her Ph.D. in Computer Application from Rajiv Gandhi Pradyogiki Vishwavidyalaya (State Technological University of M.P.) and M.C.A from M.L.T.S., Gwalior. Her Research interests include Digital Image Processing, Network Security, Machine Vision, and Machine Learning.
