Important Note:

We understand that reasonably a lot of investment goes in to subscription of your library resources, therefore visibility and usage is a prime concern for the library. J-Gate helps to increase the **usage and visibility of your library subscribed journal resources** among your students, faculties and researchers.

1. Register All Your Static IPs in J-Gate for easy and authenticated access by users of your institution.
2. Integrate "Journal Discovery Search Box" in Your Library Website for visibility and easy accessibility of library subscribed resources. Refer the document "Search Box Guide" with Steps to integrate in your website.
3. Send all your Library Subscribed Journals/Book Series/Conference Proceeding Holding details to configure single platform discovery through J-Gate. Fill the attached Excel File "Library Holdings" and email to jcoordinator@informaticsglobal.com

Please find attached a draft email for communicating J-Gate access to users on behalf of your library.

Email Address for Any Queries related to J-Gate: jcoordinator@informaticsglobal.com

We look forward to your earnest help and efforts towards **increasing the usage and visibility of your library subscribed resources.**
