### Training & placement

Training & placement cell provides placements in the leading MNC's and reputed industries. It guides and trains students in their career planning. It plays a challenging role in bridging the gap between institute and industry.

The major functions of Training and Placement include

- Job placement for students through campus interviews
- Training the students on the latest topics under the theme MYSKILLS MY FUTURE
- Educational tours to industries and places of technical importance
- Certificate courses & training programmes and workshops on career planning, job interviews, group discussions.
- Assistance in internship
- Special care is taken for the improvement of communication skills and personality development

## **Admission Procedure**

### **Undergraduate Course (B. Tech):**

Admission process is totally under the strict control of APSCHE and according to the guidelines mentioned in the various G.Os released by Andhra Pradesh Government. The seat allocation will be made under 2 categories.

❖ **Category A:** 70% of the total seats are filled thorough APEAMCET conducted by APSCHE.

❖ **Category B:** 15 % of above seats are filled by APSCHE under Category B while remaining 15% of seats are filled by the college Management, as per the guidelines of the APSCHE.

Common entrance tests will be conducted for the students aspiring for UG courses in engineering in Andhra Pradesh. The rank is given by considering 75% weightage for marks obtained in the common entrance test and 25% weightage for marks obtained in the qualifying exam. Seats are allotted through Web counselling conducted by APSCHE for 70% of the seats (Category – A). The students can choose any particular branch of engineering in any of the engineering colleges in the order of their preference. Government allots the seats to the students through on line process based on the merit and rank in EAMCET for UG courses. 10% of the seats will be allocated for the lateral entry students, who will be admitted into II Year B.Tech course after diploma based on ECET rank.

Out of the remaining 30% of the total seats, 15% of the seats are filled by APSCHE under B-Category while remaining 15% of seats are filled by the college Management, as per the guidelines of the APSCHE. This will be processed by an admission committee in a highly transparent manner and purely based on merit. The college will send the list of admitted candidates along with necessary certificates to APSCHE for approval.

### **Postgraduate Course (M. Tech):**

70% of seats are filled by AP State Council for Higher Education through a state level

Common Entrance Test PGECET. The candidates who qualify in PGECET and pass the qualifying examination (B. Tech/BE) will be admitted through common Web based counselling. The candidates having valid GATE scores will be given preference at the time of admission. The remaining 30% seats are filled by the management under “B” Category by the candidates who have passed the qualifying examination with 50% and above marks based on the merit, out of the applications received.

### **For Post Graduate Courses (MBA):**

70% of seats are filled by AP State Council for Higher Education through a state level Common Entrance Test ICET. The candidates who qualify in the CET and pass the qualifying examination (any degree) will be admitted through common Web based counseling. The remaining 30% seats are filled by the management under “B” Category by the candidates who have passed the qualifying examination with 50% and above marks based on the merit, out of the applications received.

## Information of Infrastructure and Other Resources Available

### National Service Scheme

NSS unit has been introduced with the approval of the Affiliating University and the following are the various programmes conducted under this unit

- ❖ Blood donation Camps
- ❖ Health camps
- ❖ Village adoption
- ❖ Providing food, clothes and other needs to orphanages, old age homes
- ❖ Serving the people when they suffer from natural calamities like floods, epidemic diseases
- ❖ Tree Plantations
- ❖ Environment Awareness programs
- ❖ Contribution to charitable trusts
- ❖ Providing free water to the commuters during summer.

- ❖ Barrier Free Built Environment for disabled and elderly persons: Yes

- ❖ **Library**

Number of Library books/ Titles/ Journals available (program-wise)

S.No	Programme	No.of Volumes	No.of Titles	No.of Journals
1	UG	35574	2303	354
2	PG	3212	626	39

- ❖ List of online National/ International Journals subscribed  
The following are the list of Journals subscribed: Taylor & Fransis, JGATE, DELNET
- ❖ E- Library facilities : Yes

Various facilities are provided to the students through Digital Library in order to access various Journals and NPTEL Videos.

❖ **Laboratory and Workshop**
