SCIENCE

G Pullaiah College of Engineering and Technology shortly called as GPCET was established in the year 2007 by renowned educationalist Sri G Pullaiah. The college is approved by AICTE , New Delhi and affiliated to Jawaharlal Nehru Technological University, Anantapur. It offers B Tech course in Five Branches Electronics and Communication Engineering with an intake of 180, Electrical and Electronics Engineering with an intake of 120, Computer Science and Engineering with an intake of 120, Mechanical Engineering with an intake 60, Civil Engineering with an intake 60 and MBA programme with an intake of 120. GPCET is with a motto of "PIONEERING INNOVATIVE EDUCATION" is a well reputed Engineering College in Rayalaseema region and has shown an excellent record in results as well as in placement just with in a period of four years. All the departments' laboratories are equipped with state of art equip-ment and all computer labs are established with high configured computers of more than 560 systems. The institu-tion is an another name for discipline clubbed with commitment. We are sure that the student who goes out with the degree from GPCET will be an asset to his family and to the society.

Vision

To prepare professionally superior and ethically strong global manpower in technology and management to serve the nation and the world in the 21st Century.

Mission

To strive hard in training the students with the current technology and motivate them to take up research problems and innovations associated with professional, personality development programs to meet the challenges in this com-petitive world in an efficient manner.

Department of Computer Science & Engineering

The Department of Computer Science and Engineering (CSE) at GPCET symbolizes the GPCET tradition of excellence as a leader in computer science and engineering education and research.CSE is in a period of exciting growth and opportunity. The department is dedicated to education, research and overall excellence. CSE Graduates capture leading appointments in IT service industries, as well as fuel the Internet, wireless communications, and cross-disciplinary IT industries. The CSE program at GPCET started in 2007. Recognized by AICTE and affiliated to JNTUA, Anantapur the current intake is 120 students.

Patron

Dr P Nageswara Rao
Principal

Chair person

Dr S Prem Kumar
Professor & HOD of CSE Dept

VISION

To deliver the qualitative computer science technocrats who are innovative and ethical, striving for the benefit of society

MISSION

Educating(/Training) people with the technical, logical, analytical and inter personal skills to explore computer science and engineering applications .

One day workshop on **"Awareness on Creating Centres of Excellence"** organized by JNTUA in association with A.P. Knowledge Mission.

TECH Talks

The department of Computer Science and Engineering organized a two day national level faculty development program on "BIG DATA FOR AD-VANCED COMPUTING APPLICATIONS". On 27th June 2015, 10 a.m the program was inaugurated by the Chief guest of the function Mr. Vam-sidhar, vice chairman of the gpcet Dr. P. Nageswara Rao Principal and Dr. S.Prem Kumar HOD CSE.

The department of CSE organized a National level two day workshop on **"SIMULATION OF COMPUTER NETWORKS"**. The resource person **Mr. T. Aditya Sai Srinivas**, Free lancer and Corporate trainer, enlighten the students by delivering the content on Simulation of Computer Networks and its importance.

CSI Student chapter Inauguration

by Mr. Rameez Raj, Dr P. Nageswara rao, Dr. S.Prem Kumar

TECH Talks

GPCET
Pioneering Innovative Education

The department of Computer Science and Engineering conducted a Two day faculty development program, titled "**Microsoft .Net framework for project development Environment**" under ISTE faculty chapter on 19th and 20th December 2015. Dr. P. Nageswara Rao, the principal of the college is the chief guest for the inaugural session.

TECH Talks

The department of Computer Science and Engineering organized one day national level workshop on "ETHICAL HACKING" in association with CSI & IEEE student chapter on 9-10-2015.The program was inaugurated by the Chief guest of the function G.V.M. Mohan Kumar, Chairman, Ravindra group of institutions, Dr.P.Nageswara Rao, Principal, GPCET and Dr.S.Prem Kumar.

TECH Talks

A guest lecture is arranged to III year CSE students for the subject Data Mining by Dr. T. Hitendra Sharma, Asso.Prof SRIT, Ananthapur. He revised all the topics as per the syllabus and gave additional information regarding data mining. He also enlightened the students with its practical applications and its benefits.

TECH Talks

A guest lecture is arranged to II year CSE students for the subject Java Programming handled by P. Prasanna, Sr software engineer, NIIT, Hyderabad. He revised all the topics as per the syllabus and gave additional information regarding programming techniques used in industry.

G.Pullaiah college of Engineering &Technology – Kurnool, Departments of CSE, ECE, EEE, ME, CE under CSI and IEI student chapters organized IGNITE 2K16 a 7th National level technical symposium and Department of MBA organized 3rd National level Management meet KURUKSHETRA on 5th March 2016 in the seminar Hall of GPCET, Kurnool.

The department of CSE/IT/MCA Organised a workshop on "**INTERNET OF THINGS**". The dept invited Mr N.S.Vittal, Director, INEDA as a resource person. He explained about the importance of internet and the software and electronics related latest technologies.
